A little girl ran from class one Sunday morning and said excitedly, “Mom, guess what I learned in Sunday School today?” Sharing her daughter’s excitement, the mother asked, “What did you learn, dear?” “Today we learned that we should shout and be happy because Christ has rhythm!” Lovingly, the Mom corrected her daughter and said, “I think what your heard was ‘Christ has risen!’”

On this glorious Easter Sunday, as we celebrate together the resurrection of our Lord, I would like to extend, from my family to yours, our hopes and prayers that the joy of Easter will be rekindled in the life of your family. Allow Jesus to be the center of your celebration, and allow Him to make sweet music of your life.

Today, let the Risen Lord control your life. When you do, there will be *harmony* in place of discord; *rhythm* instead of revolution. Jesus Christ can take all the misplaced notes of your life and make a *symphony* from them.

Because He Lives!

Bringing Our Bibles To Church Is Good For Us!

**Reason #9
It increases retention.**

Did you know that research suggests a physical Bible generally leads to better retention than a digital one? The tactile experience of turning pages creates spatial memory markers, reducing distractions, and helping create mental maps of the text.

Keep in Your Prayers

“...since the day we heard of it, we have not ceased to pray for you...” (Colossians 1:9)
